No.1092-D.Cons.45 dated 7th June 1946

Sir,

Sub: Industries - Sericulture - Establishment of cocoon markets at Kamakarai, Chilukuvadi and Hanur - Buildings - Revised sanction to expenditure - Requested -

Ref: (2) G.O.No Ms.1046 Development dated 9-3-1944 -

In G.O.No.Ms.1046 Development dated 9-3-1944 Government were pleased to sanction the estimates for the construction of two major markets one at Kamakarai and the other at Chilukuvadi and one minor market at Hanur at a cost not exceeding Rs.21,800 as detailed below:--

Major market at Kamakarai	Rs.8,200
Major market at Chilukuvadi	8,200
Minor market at Hanur	5,400
	21,800

Tenders were recently invited for the construction of the

pto

above three buildings but there was no competition and only one person tendered for the works probably because the buildings are to be constructed in out of the way places. The tender amounts and the probable estimated cost of the buildings after allowing 5% for petty supervision and contingencies are noted below:--

Name of work:	Amount of tender.	Petty supervision and contingencies.	Total estimated cost.
1. Major market at Kamakarai	12,195	610	12,805
2. Major market at Chilukuvadi	12,195	610	12,805
3. Minor market at Hanur	8,449	422	8,871
	32,839	1,642	34,481

The original estimates were prepared in October 1943 and sanctioned in March 1944. The conditions have changed considerably now, and the rates tendered cannot be considered high with reference to the prevailing local rates and the tender rates received for other works at Kollegal. The excess over the original estimate requiring sanction is Rs.12,681. I, therefore request that Government may be pleased to sanction the additional expenditure of Rs.12,681 involved in the construction of the above cocoon markets.
